Mr Manley -

Dear Sir -

Just arrived in town from  
a trip to Georgia and  
was glad to find the  
Uniforms had arrived  
Of course my men are  
a little scattered around  
now. I had them under  
the impression that the  
Uniforms would have  
been here on May the 15th  
instead of June. But I  
think that I can get  
me up some more

men in a day or two<sup>(2)</sup>  
But my Biggest trouble is  
getting the park here  
so I am going down and  
see the Recreation Mgr  
tomorrow I have an  
appointment with him and  
see what he will have to  
say. He gave me a promise  
the first of May that he would  
do all he could for me  
But since then they have got  
up another team and he  
is trying to divide up the  
Best dates between the teams  
We have only one park which  
is used for every thing school  
soft Ball and every thing in  
the athletic line

So I have a date out of town  
next Sunday and Monday  
I will write you and let you  
know how I come out with  
every thing

Tell all the gang hello  
Yours in sport
